COMPANY PROFILE

ABOUT US

JECAS Group is a diversified African conglomerate with interests across **Agribusiness, Logistics, Finance, Travel, Education, E-commerce, Mobility, and Real Estate**. Founded with a vision to connect Africa's resources and innovation with the global market, the Group operates through a network of subsidiaries built on Trust, Transparency, and Technology-Driven Excellence.

From **Farm to Freight, Finance to Flight Training**, JECAS Group provides integrated solutions that drive sustainable development and cross-border trade opportunities.

Our Global Network

Jecas Farms & Exports: We go beyond cultivation and processing — we are fully integrated with a Global Direct Farmers Network, connecting trusted growers and cooperatives across Nigeria, Africa, and International Agricultural Regions. This network enables us to ensure consistent supply, transparent sourcing, and traceable quality for all our agro commodities. Whether you're sourcing raw cashew nuts, sesame seeds, shea butter, hibiscus flowers, or other export-grade products, our farmer-to-market system guarantees both reliability and fair value to every stakeholder in the chain.
